

NutriStudents K-12™

Menu Freedom. Over 100 Certified Weeks.

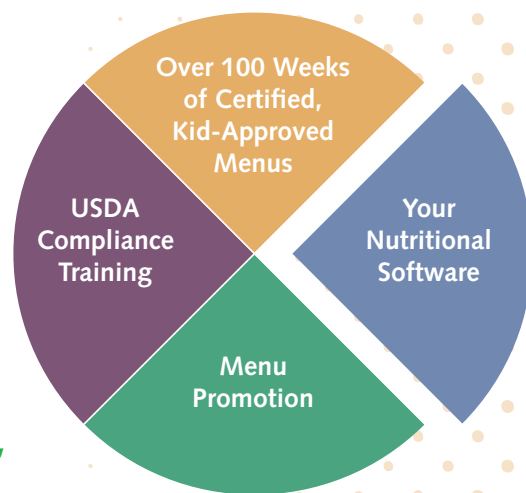

Is your foodservice program suffering from:

- Limited certified menu choices?
- Declining participation?
- Increased food waste?
- Financial distress?
- Unused commodity products?
- A staff in need of training?

NutriStudents K-12™ from Simply Good Food can help. This “plug-and-play,” self-operated foodservice platform is based on 20 years of success with the National School Lunch Program, including implementation of the Healthy, Hunger-Free Kids Act guidelines. It is available through premiere food distribution companies nationwide under NJPA contract #090414.

NutriStudents K-12 enables you to:

- **Prepare and serve** delicious, student-approved, certified menus (over 100 certified weeks!).
- **Comply with USDA** serving procedures* through our training resources and programs.
- **Promote** your menus through the Nutrislice promotional web and mobile app.
- **Smile** when you see more satisfied students and USDA auditors, increased participation and revenues, and less day-to-day and commodity waste.
